

# WELCOME TO KINDERGARTEN SORGENLOS

## About us

The kindergarten opened in 2014 at Schulgasse 34. This is our main location. We have 5 groups and an own yard with a playground.

2015 we got a new location at Schulgasse 30, there we have 2 groups and a gymnastic room. At this location we have now 1 Familygroup (2-6 years).

At our main location we have 3 toddler groups (0-3 years) and 1 Familiygroups (2-6 years). In each group a pedagogic teacher and an english assistent teacher are responsible for the children.

We are planning our activities based on the childrens' needs. Therefor it could be possible that activities or the daily schedule will change.

The children should be outside as often as possible, so we will go by foot or tram with them to playgrounds around our area. These are some frequently visited playgrounds Schubertpark, Währinger Park, Pötzleinsdorfer Park, Türkenschanzpark etc.

## Familiarization phase

It's very important for us that we take time for every child and their needs for the accomodation. We would like to make it as smooth and calmly for them as can be. Though it depend on the child how fast he/she adopts. So please check that you have enough time for it.
