

My name is Berta Kállai and i will have the pleasure working with your children as an English speaking assistant in the small child group from 7th of September.

I was born and raised in Budapest, Hungary and graduated in Primary School Education at Eötvös Lóránd University (Budapest, Hungary), majoring in music with a Bachelor's degree in 2015. Due to my previous works I have experience in working with children from their age of 2 months.

It has always played an important role in my life, as my mother is also an pedagogue, so the importance of education has been a constant part of my life.

My primary goals are to have fun, play a lot and improve their English knowledge as well.

I am very excited to be a part of Sorgenlos Kindergarten Team!
